EDUCATION

- **B.E. in Data Science, SJB Institute of Technology** — Expected 2026 | CGPA: 9.07
- **12th (PUC) – Science, Sri Kumaran Composite Junior College** — 2022 | 89%
- **10th (SSC), The Robinson English High School** — 2020 | 92.64%

TECHNICAL SKILLS

- **Programming:** Python, Java, SQL
- **Data Analytics:** Tableau, Power BI, Excel, Matplotlib, Seaborn, Data Cleaning, ETL
- **Libraries:** NumPy, Pandas, Scikit-learn, PyTorch
- **Web/Databases:** HTML, CSS, Flask, MySQL, MongoDB
- **Tools/Platforms:** VS Code, Jupyter Notebook, Eclipse IDE, Git, Version Control, Postman

PROJECT EXPERIENCE

Data Analytics & Risk Modelling

- **Analytics | Python (Pandas, NumPy, Matplotlib, Seaborn), SQL, Power BI**
Performed end-to-end analysis on banking and e-commerce datasets to identify risk anomalies and high-revenue trends, driving strategic decision-making and inventory optimization.
[\[Banking Risk Analytics\]](#) , [\[Strategic Sales Analysis\]](#)

AI and Machine Learning project:

- **Fake News Detection | Python (Pandas, NumPy, Scikit-learn)**
Built an NLP-based Fake News Classifier using Python and TF-IDF vectorization, achieving accuracy with the Decision Tree model for high-confidence news validation. [\[Fake news detection\]](#)
- **AI-Powered Personal Fitness Assistant | Python, Flask, MediaPipe, OpenCV, MongoDB, TextBlob.**
FITJourney is an AI-powered fitness ecosystem that integrates Google Gemini for adaptive workout planning and MediaPipe/OpenCV for real-time webcam pose analysis and form correction. [\[FITJourney\]](#)

INTERNSHIP EXPERIENCE

- **Hindustan Aeronautics Limited (HAL) | Intern – IT Department | Nov 2025 – Dec 2025**
Completed an internship at the Rotary Wing Research & Design Centre (RWR&DC) [\[View Certificate\]](#)
- **Virtual Intern | Foundations on AI | April 2025- May 2025**
Microsoft | Edunet Foundation | AICTE Collaboration [\[View Certificate\]](#)
Gained practical experience in Python programming, explored real-world machine learning use cases

CAMPUS LEADSHIIP AND INVOLVEMENT

- **Student Placement Coordinator**, SJBIT Data Science — 3rd Year
- **Student Representative**, SJBIT Data Science
- **Committee member**, Data Science technical and cultural Forum

CERTIFICATES

- Data Analytics with python [\[View Certificate\]](#)
- DBMS with MYSQL [\[View Certificate\]](#), RDBMS [\[View Certificate\]](#)
- Web development [\[View Certificate\]](#)
